Welcome Message

On behalf of the stroke chapter of the Egyptian Society of Neurology Psychiatry and Neurosurgery, I have the pleasure and honor to invite you to the 2nd International Egyptian Stroke Conference. Stroke awareness and research are rapidly progressing in the region, and it is our pleasure to share this progress with imminent speakers coming from all over the world. The scientific program is rich with updated subjects and will cover many interesting topics in different fields of stroke. Your active participation and sharing experience are much appreciated to enrich and add value to this scientific activity.
