Welcome Message

Dear colleagues

This year, Sharm Derma 2016 will be divided into two parts aiming to facilitate your attendance. Part I (Spring) will be held in Intercontinental City Stars, Cairo, Egypt from 3rd - 6th of May, while Part II will be held in Sharm El-Sheikh. During the conference, we promise to provide you with an exceptionally valuable experience, hoping that you will enjoy the scientific content, the social program, the awesome city of Cairo & the wonderful weather during that time of the year both in Cairo & in Sharm El-Sheikh.

Regarding Part I's program, it will constitute a variety of courses, workshops and hands-on sessions (8 to 1 hands-on sessions).

We have been working on providing a balanced program for Part I & Part II, including state-of-the-art in medical and aesthetic dermatology.

The program with its enormous number of symposia, workshops & hands-on sessions - many of them running in parallel - is meant to satisfy the taste of everyone during every single moment of the conference.

The courses are designed for different levels of experience and are meant to provide the basic, as well as the latest advances in every sub-specialty in dermatology.

Participation of the most renowned speakers from all over the world will allow for the fruitful sharing of knowledge and experience.

I hope you will enjoy the conference and return home with precious unforgettable memories.
