

1st

Egyptian Neurology Preceptorship,
Ain Shams University on

“MULTIPLE SCLEROSIS IN DEPTH”

Under the Patronage of

Ain Shams Neurology Department

23rd-24th March 2016

The Continuous Medical Education Center, Demerdash Hospital

1st

Egyptian Neurology Preceptorship , Ain Shams University on
“MULTIPLE SCLEROSIS IN DEPTH”

Preceptorship Overview:

We are providing a certified CME educational Program hosted by Demerdash Hospital to provide up-to-date reviews of advances in neurosciences and pathophysiology, diagnosis and treatment of multiple sclerosis. The goal of this preceptorship is to increase competencies and performance in treating this patient population, which will ultimately improve patient outcomes. All Topics will be presented by Neurology Staff of Ain Shams University.

Learning Objectives:

Upon completion of this activity, participants will be able to:

1. Review the Pathophysiology , Epidemiology and Natural History of Multiple Sclerosis
2. Make a proper differential diagnosis for Multiple Sclerosis through clinical and Radiological Methods.
3. Asses the Multiple Sclerosis patient prognosis and goal of treatment.
4. Develop more current strategies and treatment plans for the management of patients with multiple Sclerosis.
5. Describe the most up-to date treatment modalities and emergent drug therapies.

Target Audience:

This activity was designed to meet the needs of Neurologists, Neuroscience Professionals and Primary Care Providers.

23rd

WEDNESDAY
MARCH 2016

Registration

08:00 - 09:00

Session I | Hall 501
