SHARM DERMA ACT CONFERENCE

30th Nov - 1st Dec 2017

Grand Nile Tower, Garden City - Cairo

Welcome Message

Dear Professors and Colleagues,

It is with great pleasure that we welcome you all to the third Sharm Derma Act meeting. We are very excited to share with you our lavish program. Each picked topic has been the fruit of many hours of work.

Today we shall discuss what is new and different in the field of cosmetic dermatology. We will also tackle cases met in our daily practice from a different perspective. We intend to shed some light on common hair and nail concerns and grooming practices.

The material will be presented in an exciting manner to stimulate our audience and capture their full interest. We surely welcome your active participation and suggestions to continuously work on any areas of improvement.

We hope our meeting today will exceed your expectations. We look forward to seeing you this year and many years to come.

Thank You

Sharm Derma Act.
