21st – 24th February 2018 - Steigenberger - Luxor

Debates and Updates in Vascular Practice

Welcome Message

Dear Colleagues

It is our pleasure to welcome you to the 14th Annual Meeting of VSE & the 14th Annual Meeting of the Egyptian Vascular Club (EVC) from 21st – 24th February 2018 to be held in Steigenberger, Luxor, Egypt.

In all fields, world leaders enriched the practice with their innovations that will remain through all generations. The aim of this year's meeting is to continue our aim in allowing young generation to meet world leaders and expert vascular professors and benefit from their personal experience in management of difficult cases.

A group of international and national leaders in the field of vascular surgery will cover a wide range of topics through oral presentations, lectures, panels and interactive discussion including debate sessions.

Moreover, the advancement of technology will be highlighted in the workshops and interactive sessions for the utmost benefit for all of us.

We hope you enjoy your stay on the River Nile in Luxor, the site of the Ancient Egyptian city of Thebes, which is known as the world's greatest open-air museum.
