Modern Trends in Andrology Practice

In Collaboration with  
The European Academy of Andrology

11-12 December 2014, Cairo - Egypt  
Cairo Marriott Hotel

## Dear Friends and Colleagues,

It's a great pleasure and privilege to invite you once again to attend the 25th annual meeting of ESA, to be held in Cairo MRRIOTT Hotel In December 11th to 12th, 2014. The meeting will be held in Cairo , the beautiful capital of charms and mystique , with its unique mix of egyptian , arabian , islamic and coptic and all around international culture flavors and sounds . We can always assure you it is a magnificent, vibrant, interesting, fun and magical city.

The ESA scientific meeting is always an outstanding annual event. The theme of the 2014 meeting will be Modern Trends in Andrology Practice. This theme reflects not just how we andrologist perceive our field, but also reflects the conference focus on all aspects of that specialty and diversity of the contributing factors to men's fertility and sexuality practice.

The conference this year will be held in collaboration with the European Academy of Andrology, The list of speakers will include well recognized and international researches that will allow creative exchange of ideas and experience. We are planning to dazzle you this time with more than you expect from the academic, practical and social perspectives.

On behalf of the ESA Executive Board and Organizing Committee, we look forward to welcoming you to Cairo's 25th ESA annual meeting in December, 2014.
