

25th Congress of The Egyptian Society of ANDROLOGY

Modern Trends in Andrology Practice

In Collaboration with
The European Academy of Andrology

Program Book

11-12 December 2014
Cairo Marriott Hotel, Cairo - Egypt

Dear Friends and Colleagues,

It's a great pleasure and privilege to invite you once again to attend the 25th annual meeting of ESA, to be held in Cairo MRRRIOTT Hotel In December 11th to 12th, 2014. The meeting will be held in Cairo , the beautiful capital of charms and mystique , with its unique mix of egyptian , arabian , islamic and coptic and all around international culture flavors and sounds . We can always assure you it is a magnificent, vibrant, interesting, fun and magical city.

The ESA scientific meeting is always an outstanding annual event. The theme of the 2014 meeting will be Modern Trends in Andrology Practice. This theme reflects not just how we andrologists perceive our field, but also reflects the conference focus on all aspects of that specialty and diversity of the contributing factors to men's fertility and sexuality practice.

The conference this year will be held in collaboration with the European Academy of Andrology, The list of speakers will include well recognized and international researches that will allow creative exchange of ideas and experiences. We are planning to dazzle you this time with more than you expect from the academic, practical and social perspectives.

On behalf of the ESA Executive Board and Organizing Committee, we look forward to welcoming you to Cairo's 25th ESA annual meeting in December, 2014.

AMERICAN ASSOCIATION *of* CONTINUING MEDICAL EDUCATION

The Annual Conference of the Egyptian Society of Andrology

December 11-12, 2014

AACME Accreditation Statement

This activity has been planned and implemented in accordance with the AACME's Accreditation Standards & Policies and the Essential Areas and Their Elements through joint-sponsorship with the **Egyptian Society of Andrology**.

New Future Training & Development is accredited by the American Association of Continuing Medical Education (AACME) to sponsor continuing medical education for physicians.

The Organizing Committee of the **Annual Conference of the Egyptian Society of Andrology** takes responsibility for the content, quality and scientific integrity of this CME activity.

The **Annual Conference of the Egyptian Society of Andrology** presents this activity for educational purposes only.

Participants are expected to utilize their own expertise and judgment while engaged in the practice of medicine.

The content of the presentations is provided solely by presenters who have been selected because of their recognized expertise.

AACME Credit Designation

The Accreditation Review Committee (ARC) of the American Association of Continuing Medical Education (AACME) designates this medical education activity for a maximum of **8.50** hours in the Category 1 credit of the AACME Designation. Each physician must claim only those credits that he/she actually spent in the activity.

Conflict of Interest Disclosure

It is the policy of the American Association of Continuing Medical Education (AACME) to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs.

All faculty participating in continuing medical education activities sponsored by the **Annual Conference of the Egyptian Society of Andrology** are required to disclose to the program audience any real or apparent conflict of interest related to the content of their presentations.

All faculty are also required to disclose any discussions of unlabeled/unapproved uses of drugs or devices.

Joint-Sponsor: The Egyptian Society of Andrology
