NAVIGATING THE FUTURE OF SPINE SURGERY

Welcome Message

Dear Spine Surgeons,

On behalf of Egyptian Spine Association, we are delighted to invite you all to the "Second Advanced Spine Surgery Updates" to be held on June 20th - 23rd, 2019 in Cairo, Egypt. The meeting will include two days didactic lectures and two days advanced cadaveric Hands-on workshop.

The workshop will cover different techniques and approaches for MIS spinal surgery, endoscopy, deformity and osteotomies. Distinguished international and national faculties will moderate the conference and workshop. On completion of the workshop the trainees will learn pearls and tricks for spinal endoscopy and deformity surgery.

I hope you will enjoy this fabulous meeting in Egypt, the land of history.
