Welcome Message

It's a pleasure and honour to welcome you again at your second home "Kasr Alainy". Last year your participation at KVS2018 made the meeting very fruitful. Discussions and debates have been very interesting and inspiring. And all of us learned a lot from the great participation of Egypt's best Vascular Surgeons.

KVS2019 is held within the premises of the oldest university hospital in the Middle East and Africa at the Learning Resource Complex. We hope, that you enjoy our the symposium and the two related workshops. The meeting features presentations from many centers inside and outside Egypt. Warm greetings from all staff of Cairo University, and we wish you a fruitful meeting.
