Egypt

Cairo

Cairo is a vibrant, exhilarating, exotic, fascinating and welcoming city. Home to the best Pharaonic, Coptic and Islamic sights in Egypt, this city is where you never know what incredible, half-forgotten monument you might stumble across while wandering around. Enjoy the Nile view from your hotel room balcony, visit the capital's medieval markets by Khan El-Khalili, or walk down the Nile promenade. There are also plenty of cinemas, theatres and modern malls. Go for an opera or enjoy oriental music dance shows. Good for short breaks and long stays; you'll get to see the Giza Pyramids, thousands of ancient artifacts in the Egyptian Museum of Antiquities and much more.

Moreover, Cairo is for everyone, there are plenty of mid range and budget accommodations to choose from. Pick a charming boutique hotel in the heart of downtown or indulge in utter luxury in one of the city's most luxurious establishments. These usually house professional Spas and wellness centres where you'll be treated like royalty. There are more than 75 four and five-star hotels in Cairo, which all offer stunning views over amazing landmarks such as the majestic Nile, the Pyramids, beautiful parks and gardens, and upscale clubs and compounds.
