

4th MS SUMMIT

Egypt | 2022

Magnims 
Magnetic Resonance Imaging in Multiple Sclerosis

 **Cleveland Clinic**

INNOVATING IN MS TOGETHER

10th-11th March 2022
Cairo Marriott Hotel, Zamalek

Sponsored By
 **NOVARTIS**

Welcome Message

On behalf of the MAGNIMS, European Society of Neuroradiology and Mellen Center for Multiple Sclerosis “Cleveland Clinic” in collaboration with the Egyptian Society of MS and The MS Chapter of ESNPN, it is our pleasure to welcome you in Cairo on the occasion of the 4th MS SUMMIT which will be held in Marriott Zamalek Hotel, Cairo, Egypt 10th, 11th of March 2022 .

The program is designed to cover the new developments in all areas of multiple sclerosis including treatment, genetics, pathology, imaging, immunology and epidemiology. The program includes plenary lectures (Day 1 and 2) by our distinguished faculty followed in the afternoon by workshops with the speakers who are participating in the meeting.

We look forward to welcoming you to Cairo.

Alex Rovira

Co-Director

Tarek Youssef

Co-Director

Hassan Hosny

Co-Director

Maged Abdel Naseer

Head of MS Chapter

Maged F. Zakaria

Head of MS Society

International Speakers:

Alex Rovira _____

Daniel Ontaneda _____

Helen Tremlett _____

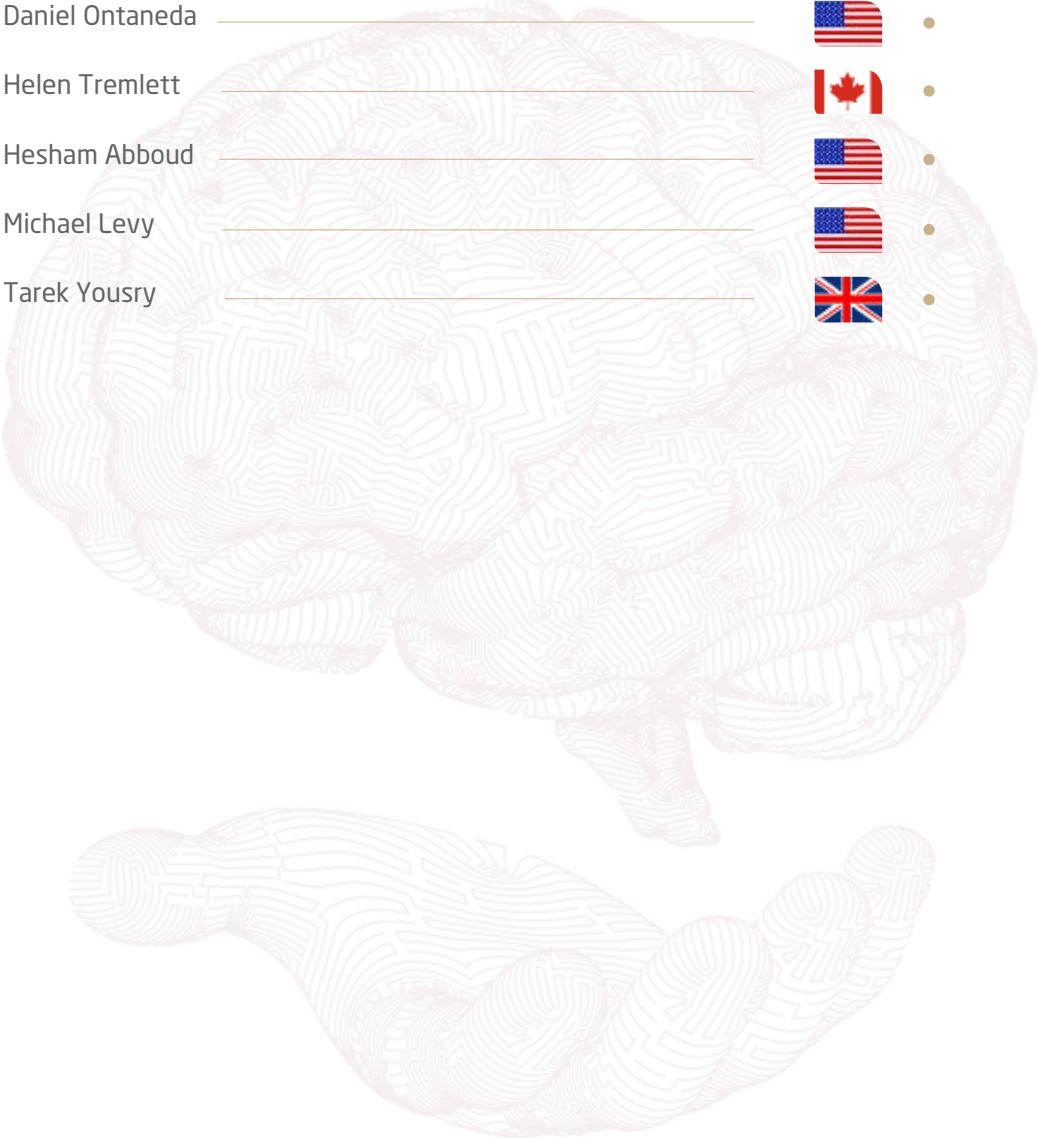

Hesham Abboud _____

Michael Levy _____

Tarek Yousry _____

Thursday

10

March
2022

Neuroimaging In Demyelinating Diseases

10:00-11:40

Chairpersons:

Prof. Adel Hassanien

Prof. Ali Soliman

Prof. Fathy Afifi

Prof. Osama Abdulghani

10:00 - 10:25 Neuroimaging In COVID-19

Tarek Yousry

10:25 - 10:50 MAGNIMS, CMSC & NAIMS Recommendations On The Use
of MRI In MS

Alex Rovira

10:50 - 11:15 Acute Cerebral Inflammatory Diseases

Tarek Yousry

11:15 - 11:40 NMO/D

Michael Levy

11:40 - 12:00

Coffee Break

Thursday

10

March
2022

Reimagining RRMS

12:00 - 13:40

Chairpersons:

Prof. Abdelnasser Morad

Prof. Azza Abdelnasser

Prof. Gharib Fawi

Prof. Sameh Saeed

12:00 - 12:25 Multiple Sclerosis Prodrome
Helen Tremlett

12:25 - 12:50 Looking For An Early Option For RRMS Patient with NO
COMPROMIZATION
Amr Hassan - Mohamed Hegazy

12:50 - 13:15 More Than 14 Years Of Confidence
Ibrahim El-Menshawy

13:15 - 13:40 Updates In MS Management In Special Populations
Azza Abbas

13:40 - 14:00

Coffee Break

Thursday

10

March
2022

New Hope for One of A kind Patient

14:00 - 15:40

Chairpersons:

Prof. Abdallah Maamoun Sarhan

Prof. Eman Seif

Prof. Hazem Maarouf

Prof. Saly Elkholy

14:00 - 14:25 Emerging MRI Features in MS
Alex Rovira

14:25 - 14:50 Early Patient Identification Using Proper Tools
Nevin Shalaby

14:50 - 15:15 S1P receptors transfiguration between RRMS & SPMS
Mohamed Fouad - Sara Salama

15:15 - 15:40 Expanding Possibilities For Progressing Patients - 5 YEARS
Ahmed Esmat - Mohamed Hamed

15:40 - 16:40

Lunch

Friday

11

March
2022

Breakthrough in MS
& Neuroimmunology
Biomarkers

10:30 - 11:45

Chairpersons:

Prof. Ayman Nassef

Prof. Hussein Mohamed Hussein

Prof. Mahmoud Abdel Sayed

Prof. Sherif Hamdy

10:30 - 10:55 Central Vein: A Diagnostic Biomarker For Multiple Sclerosis
Daniel Ontaneda

10:55 - 11:20 MOG Antibody Disease
Michael Levy

11:20 - 11:45 Neuromodulation In Multiple Sclerosis
Hesham Abboud

11:45 - 13:00

Friday Prayer & Coffee Break

Friday

11

March
2022

Opening

13:00 - 13:30

Prof. Hassan Hosny

Professor of Neurology, Cairo University - Head of Epilepsy Chapter of the Egyptian Society of Neurology, Psychiatry & Neurosurgery and Course Coordinator

Prof. Hesham Abboud

Director of the Multiple Sclerosis and Neuroimmunology Program at Cleveland Medical Center and a staff neurologist at the Parkinson's and Movement Disorders Center

Prof. Magd F. Zakaria

Professor of Neurology, Ain Shams University - President of the Egyptian Society of Multiple Sclerosis

Prof. Maged Abdel Naseer

Professor of Neurology, Cairo University - Head of MS Chapter of the Egyptian Society of Neurology, Psychiatry & Neurosurgery

Prof. Tarek Yousry

Head of the Lysholm Department of Neuroradiology and Head of the Division of Neuroradiology and Neurophysics at The National Hospital for Neurology and Neurosurgery, member of MAGNIMS Steering Committee

Friday

11

March
2022

Innovating in MS

13:30 - 15:10

Chairpersons:

Prof. Al-Bahy Reda

Prof. Elsayed Tageldin

Prof. Farouk Talaat

Prof. Saeed Bohlega

Prof. Saher Hashem

13:30 - 13:55 EGYPT MS Consensus, From Theory To Practice
Hany Aref

13:55 - 14:20 A Step back to Step forward: B-Cell Evolution
Ismail Ramadan

14:20 - 14:45 Let's Think Precision
Maged Abdel Naseer

14:45 - 15:10 The Revolutionary Approach in Targeted Therapies
Magd F. Zakaria

15:10 - 15:30

Coffee Break

Friday

11

March
2022

Ms Updates & Mimics

15:30 - 17:10

Chairpersons:

Prof. Eman Khedr

Prof. Khaled Sallam

Prof. Rasha Elkabbany

Prof. Tarek Menesy

15:30 - 15:55 Treatment Approaches For Relapsing Remitting Multiple Sclerosis
Daniel Ontaneda

15:55 - 16:20 DMTs In Context Of COVID-19: What We Learned So Far?
Hanan Salah

16:20 - 16:45 Iron Deposition In MS:
Is It A Problem Of Quantity Or Distribution?
Eman Hamdy

16:45 - 17:10 Diagnosis And Management Of Autoimmune Encephalitis
Hesham Abboud

17:10 - 18:10
