Welcome Message

Dear Colleagues,

It is our pleasure to welcome you to the 11th Annual Meeting of the Egyptian Vascular Club entitled 'Meet the World Leader'.

Recent technology in vascular practice has changed the ways of management. In all fields, world leaders enriched the practice with their innovations that will remain through all generations and it is the aim of this year's meeting to allow young generation to meet world leaders and expert vascular professors and benefit from their personal experience in management of difficult cases.

Moreover, the advancement of technology will also be highlighted in the workshops and interactive sessions for the utmost benefit for all of us.

We hope you enjoy your stay in Hurghada the marvelous city on the Red Sea and we wish to see you all next year.
