2nd Announcement

● Welcome Message ●

Dear Colleagues ,

It is a great honor to invite all of you to attend and participate the 12th annual congress of VSE .

This year the scientific program will cover updates in vascular and endovascular surgery .

A group of national and international leaders in the field of vascular surgery will cover a wide range of topics through oral presentations, lectures, panels and interactive discussion in addition to hands on workshops.

We appreciate your attendance and active participation to the 12th VSE annual conference in Sheraton El Montazah, Alexandria from 23rd - 26th March 2016.
