● Welcome Message ●

Dear Colleagues and Guests

It is a great honor to welcome all of you at the 12th annual congress of VSE .

This year the scientific program will cover updates in vascular and endovascular surgery.

A group of well distinguished national and international leaders in the field of vascular and endovascular surgery will cover a wide range of topics through oral presentations, lectures, panels and interactive discussions, in addition to hands-on workshops.

We appreciate every effort exerted to make this event useful, valuable and updated.

No words can express my great thanks to the scientific & organising committee for their endless effort, help and kind cooperation.

Lastly, Me and the VSE board are so glad by your active participation to the 12th VSE conference held at Sheraton El Montazah, Alexandria- Egypt from 23rd-26th March 2016.
