Dear colleagues,

On behalf of the meeting board, we are honored to invite you to the 10th annual COMBATMI/ PCI/ Acute Cardiology Meeting; that will be held at Intercontinental Citystars, Cairo on March 30th-31st, 2016.

The course addresses the latest strategies, pharmacology and interventions in heart attacks, ischemic heart disease and acute cardiac situations and highlights the latest practice and education in ever growing cardiac interventions with case based discussion.

The meeting is organized by pioneer cardiologists from the National Heart Institute and Egyptian cardiology centers and universities.

The meeting is **internationally** endorsed and in collaboration with, SCAI (American Society for Cardiovascular Angiography and Interventions), C3 (Complex Cardiovascular Catheter Therapeutics, USA), ACCA (Acute Cardiovascular Care Association/ European Society of Cardiology) and the American Heart Association.

Our members are participants of the very active internet sites and face book cardiology communities that post daily cardiology updates and clinical cases will contribute to the scientific program. These **include 'National Heart Association', COMBATMI/ PCI', EAZI (Egypt A-Z Intervention), "NESMA"(Nile Egyptian Sudanese Medical Association-Cardio), ECA (Egyptian Cardiologists Abroad) and Cardiology Links**. We are proud that we have over 15,000 members in these sites from all over the world.

Previous meetings were included on the web site calendar of the SCAI, Acute Cardiac Care Association of the ESC(European Society of Cardiology) and the European PCI Association (EAPCI).

The course is directed to all levels of cardiologists, interventional cardiologists, internists and interventionists with escalating level.

Your contribution as a faculty or attendee will definitely share in the success of this course.
